Thank you....

Rafa and Rooni can confirm that we started packaging up the historic data last week - need to get the ok from the TC - I asked them yesterday.

I have uploaded a zipped file with the dredging pilot bathymetric surveys to sharepoint. You will find under CPG Unassigned/Dredging-pilot-bathy
Let me know if you have problems downloading it or have any questions. Thanks.

PS: I am looking forward to the historic bathymetric surveys
